"PROVIDING QUALITY MEDICAL SOLUTIONS"

### International medical covers offer the best .....

- *We would like to wish all our esteemed clients a Happy & Prosperous 2013!*
- *We will reward clients with a Ksh 10,000/- Nakumat Gift voucher for any successful referral of medical business*
- *Check out our newly re-designed website : [www.hlskenya.com](http://www.hlskenya.com)*
- *You can now follow us on Facebook, Twitter and Linked -In*

International medical covers are still far superior than what is locally available in the market. The peace of mind that comes from being insured with an International medical provider is unmistakable. Most International medical covers offer:

- Guaranteed Renewability
- High cover limits
- Access to best hospitals & doctors worldwide
- Evacuation/Repatriation cover
- Cover for Chronic conditions
- In & Out patient cover for Cancer
- Membership card recognized at major hospitals around the world
- Cover for a private en-suite hospital room
- No limits on ICU or HDU care

### Various updates .....

- We are sending out Data Consent forms to our Bupa clients, once processed this will help us access membership certificates and check claims status and payments.
- Bupa Travel is no longer issuing new Travel Insurance policies but will renew existing Annual covers however payment must be made promptly
- Bupa has entered into a Strategic Partnership with Jubilee Insurance with long term goal of developing local product proposition, this does not affect existing clients in anyway. We are still Bupa Brokers and we have their full sales & servicing support.
- We currently deal with the following providers: Bupa International, AETNA, AXA PPP International, CIGNA, Medistar and Allianz.
